ORDER

On March 28, 2005 Respondents Korangy Radiology Associates, P.A., trading as Baltimore Imaging Centers, and Amile A. Korangy, M.D., filed a Respondents' Request For Protective Order of privileged information pursuant to 21 C.F.R. § 17.28(b)(6). Previously, on January 26, Respondents filed a similar request that was denied for lack of specificity. The denial was without prejudice to its resubmission with redacted copies of the record information.

The Respondents' resubmission does not include the required copies. In order to comply with the requirements of 21 C.F.R. § 17.28(b)(6), the Respondents should submit copies of the record information with the privileged information redacted. To the extent the protective order is granted, the originals will be marked "Confidential" and the redacted copies substituted in the public record of this proceeding. A draft order limiting access to the privileged information to the parties to this proceeding is also required.

It is ORDERED, that a ruling on Respondents' request for a protective order is deferred pending the submission of redacted copies of the record limiting public access to the information sought to be protected.

And it is further ORDERED, that Pursuant to 21 C.F.R. § 17.32 (c) the Complainant, The Center for Devices and Radiological Health, will have fifteen days from the date of Respondents' submission to file any reply in opposition thereto.

Dated this 13th day of April, 2004.
